PC Examiners

PRECLEAR DECLARE? PROCEDURE

(Reference: HCO PL 30 May 70 Cutatives,
HCO PL 10 May 70 Single Declare,
HCO B C/S Series 71A 24 Feb 72
Word Clearing OCAs.)

In order to ensure the results of Scientology, it is vital that Examiner Declare? procedure is known and invariably applied.

1. PC Examiner checks the folder to ensure that all processes run to EP correctly with NO Out Tech uncorrected.
2. When folder passed as OK, get Qual I and I to call Tech Services for the pc to be sent to the PC Examiner.
3. PC Examiner shows pc a written statement of the Ability Attained from the Grade Chart or HCOB for that particular Grade or completion and has the pc read it.
4. Ask pc: "Do you have any doubts or reservations concerning attesting to (whatever the attest is)?" If the Examiner gets an instant read on the question, he does not ask the attest question, and sends the folder back to the C/S.
5. If no instant read, ask the attest question "Would you like to attest to _____."
6. If PC F/N VGIs on the Declare, indicate the F/N and end off the cycle.

Note: The presence of any Bad Indicators, or no F/N, or high or low TA or read on the "Doubts" question are the immediate signal to end off the action smoothly and quickly.

Absolute honesty must be maintained by a PC Examiner on every cycle handled. Remember: The integrity of Scientology and the hope for Beings in this Universe is entrusted to Examinations.
