TRAINING -- WHAT IT IS TODAY

HOW WE TELL PEOPLE ABOUT IT

In London I made up a chart of training for the Comm Course (former Indoc) and HPA/HCA.

This course is plotted exactly on eight weeks including an intensive by a graduating student upon an incoming student.

The stable datum of all training now is:

"A student is graduated when his training level is such that he could be entrusted with an HGC preclear."

Thus examination is rendered much easier and stable.

HPA/HCA Training requisites stress:

- 1) Synopses of all important Dianetic and Scientology Books and a synopsis of tapes heard.
- 2) Profile student achieved when auditing an incomer.
- 3) Memorized Axioms.
- 4) Five levels of Indoc.
- 5) Long form CCH.
- 6) Good attendance record.
- 7) Ability to Group Audit.
- 8) The Codes down pat.

That is more or less it. The Chart is intensely specific.

Paramount in all our training are:

- 1) To get our graduating students in good shape; and
- 2) To make sure our incoming students are given a good week intensive by the graduating student before the newcomer enters Comm Course. Why? Because Comm Course can reduce havingness and we want our new Comm Course student to learn, not agonize.

Training today can be pretty smooth.

But be alert here. We've changed type of training from emphasis on Classroom to emphasis on Student. "Academy" means coaching.

In Public representation of Washington and London schools stress that eight weeks of personal individual attention

can make a Scientologist and a good one and that this is why the cost is what it is. This training is the best on Earth for living in general as well as doing Scientology. "It's personal. It's for you. It's good. Only thpse who have it can Survive."
