HCO BULLETIN  
of January 18, 1958

The reason the auditor is having trouble getting off control and onto Step 6 is that the auditor expects a technique to take control of pc. Auditing depends on the auditor taking control of the pc. When this is learned we'll not have 20 hrs devoted to control processes and 5 to Step 6. We will have 5 hrs to control and 20 hrs to Step 6.

Control consists of the pc being aware of who and what is controlling him. So Find the Auditor is therefor part of Control.
