of July 15, A D 8

Carrying On

Members from Australia and South African H A S I s are here attending the Congress and 20th A C C. They are working hard and learning fast.

In the meanwhile the Australian and S A staffs are carrying on short-handed and doing a very fine job of it.

I know how hard it is to cover additional posts for two months. And I wish to thank those staffs for carrying on.

Best,

LRH
