HAVINGNESS--NEW COMMANDS

The value of havingness has not diminished. However, it needed new commands. I have now developed these. They are remarkably more effective than Trio.

FACTUAL HAVINGNESS

"Look around here and find something you have."

When this can be left--

"Look around here and find something that you would continue."

When this can be left--

"Look around here and find something you would permit to vanish." Then return to first again.

The order may be reversed. Some cases may run 250 of the third before finding one of the first or second.
