Auditing ARC Breaks on Registrar and Assistant Registrar

I have found it desirable to run Tr-5N (ARC Breaks) fully on both Registrar and Assistant Registrar in new comm line.

A good auditor who can handle 2-way comm is needed.

The commands are, "What has anyone done wrong to you?" and "What have you done wrong to people", and other ARC break questions.

Getting the overts of the pc is important.

It is necessary to remove, in this special case, ARC breaks between Registrar and Assistant Registrar with --

- (1) Students
- (2) Instructors
- (3) Auditors
- (4) Preclears
- (5) Field auditors
- (6) The central org
- (7) Groups
- (8) Customers
- (9) Salesmen
- (10) LRH

Get out what each of the above did to the Registrar or Assistant Registrar and what the Registrar and Assistant Registrar have done to or thought about doing to each of the above.

This will make it possible for (1) them to live in their operating climate and (2) Write warmer, more forward "invasion of privacy" letters.
