DO IT YOURSELF THERAPY

At last we have a successful way for the untrained person or the financially embarrassed Scientologist to make it all the way to release and prepare himself for theta clear at low cost.

Heavily supervised co-auditing at HAS level has become possible with my development of two things,

- 1) Processes that undercut most reality levels, and
- 2) Muzzled auditing.

For as little as 2 gns (or \$10) a week, one can have the major benefits of Scientology by giving a little and getting a lot.

HAS Co-Auditing courses are run by all major Central Organizations and are being started in HCO enfranchised centres.

The applicant enrolls in the P.E. course and receives a week of theory. He graduates to a Comm Course lasting two weeks of three nights each and costing 2 gns (or \$10) per week. He receives his HAS certificate and graduates to co-auditing for three nights a week for 2 gns (or \$10) per week and continues on until he reaches the state of release. This may take many months but he gains all the way in health, on his job, in his environment.

The co-auditing is done "muzzled" and under the heavy supervision of a trained professional who knows how to do it.

It is only successful if so done.

These new processes and muzzled auditing can be the beginning of a new civilization. For, cases are cracking on these units with such frequency and speed that even old timers instructing them are getting an eager new look.

A release is a person whose case "won't get any worse". He begins to gain by living rather than lose.

Release is a way point toward theta-clear. A good release can be theta-cleared by a professional running engrams in from 50 to 125 hours.

This is the new look. If you want to know more about it, write Hubbard Communications Office Worldwide in London or your nearest central organization.

We can put hundreds of thousands upstairs rapidly if we follow this well-blazed trail.

We are still winning.
