HCO BULLETIN OF 4 MAY 1959

AN AFFINITY PROCESS

We have a fundamental Reality process in overt-withhold straight wire and, at a higher level, "What can you confront?"

Variations suggest themselves but what with Administration, Congresses, HPA Courses, ACCs and heavy promotion, I have not had time to test them.

The above form, startlingly enough, does work. It *apparently* cracks lower cases than "What can you confront?" There is some evidence it raises havingness.

A basic communication process is "Recall a time you communicated."

There have been few successful Affinity Processes. However, as unlikely as it first appears, the following is nearly a pure affinity process.

"What would you like to confront?"
