AN AFFINITY PROCESS

We have a fundamental Reality process in overt-withhold straight wire and, at a higher level, "What can you confront?"

Variations suggest themselves but what with Administration, Congresses, HPA Courses, Accs and heavy promotion, I have not had time to test them.

The above form, startlingly enough, does work. It apparently cracks lower cases than "What Can You Confront?". There is some evidence it raises havingness.

A basic communication process is "Recall a time you communicated".

There have been few successful Affinity Processes. However, as unlikely as it first appears, the following is nearly a pure affinity process.

"What would you like to confront?"
