HCO BULLETIN OF MAY 8, 1959

H.A.S. CO-AUDIT

BECAUSE THIS BULLETIN IS EXTREMELY URGENT, IT IS RE-ISSUED.

All offices should recognize that we have something new and startlingly successful in HAS Co-Auditing done by and in the organization as an adjunct of the P. E. Foundation.

The complete gen on how to do this will be released in the very near future on these lines. This bulletin is to point out its importance.

It is expected that the following cities will begin in the central organization HAS co-auditing courses immediately on receipt of the technical information:

London (already in progress), Los Angeles, New York, Melbourne, Johannesburg (where the information already exists), Paris, Washington (optional), Auckland (where the information already exists), Perth.

At once all names and addresses of all P.E. attendees should be gotten in order as mailing lists by the above organizations for their areas and they should stand by to make an immediate mailing.

Persons for night work should be appointed by the above organizations as follows:

P. E. Foundation Director  
P. E. Foundation Instructor  
HAS Comm Course Instructor  
HAS Co-Audit Supervisor

The P. E. Foundation basic course is one week long - 5 nights. HAS Comm Course is three nights a week, co-audit supervised is the same three nights. In Case of crowded quarters the HAS Comm Course should be on a different three nights than the HAS Co-Audit, i.e., Monday, Wednesday, Friday Comm Course; Tuesday, Thursday, Saturday, Co-Audit.

The charge to any applicant should be two or three quineas per week, or \$10.00.

THIS IS THE MOST IMPORTANT SINGLE PROMOTION EVENT OF THIS YEAR AND SHOULD BE TREATED AS SUCH.

MAGAZINE - MAJORS AND MINORS

It has been found in at least one organization that the purpose of major and minor issues of the continental magazine has not been understood. A major issue goes out once every month to the entire mailing list, particularly book buyers. Certainty issues Vol. 5 No. 23, Vol. 6 No. 3, Vol. 6 No. 2 are typical minor issues and with their ads adjusted and made more timely are now being sent to the entire mailing list.

Neglect in sending minor issues to the entire mailing list can result in the eclipse of an operation, otherwise there is no adequate method of contacting new book buyers. Minor issues are mainly slanted at new book buyers but go to the entire list.

If your mailing lists are not so arranged as to make this possible or if your address systems make it difficult you had better do something about it in a hurry as these are the most uneconomical omissions that can be made by an operation.

SCIENTOLOGY SERVICE ADMINISTRATOR

HCO offices requiring books, tapes, bulletins and other services should request them from HCO Administrator WW, 37 Fitzroy St. London, which post is now occupied by Roddy Stock. The function of this post is to give service to other Scientology organizations and HCO offices.

(7/23/59, HCO DC note: this reissue of 3-24-59 bulletin did not get issued as a 5-8-59 reissue from DC since it was lost in routing; DC staff did receive the 3-24-59 issue; the 3-24-59 issue did not contain the last paragraph above - which does apply to DC - i.e., "They ask London. They are then sent from D.C." (see last para. above)
