H.C.O. BULLETIN OF JULY 18, 1959
(Reissue - from London)

Technically Speaking

We have a whole world full of "victims".

That's enough.

We don't have to be victims ourselves. It's a scarcity we don't have to remedy.

New Definition: A Scientologist: one who is not a victim.

We can make victims into people without Q and A'ing.

Historical Note: The whole christian movement is based on the victim. Compulsion of the overt-act motivator sequence. They won by appealing to victims. We can win by converting victims. Christianity succeeded by making people into victims. We can succeed by making victims into people. It's time the inversion turned anyway.
