HCO BULLETIN OF AUGUST 19, 1959

To a Roman Catholic

In Ireland, where we had an office for some years, the problem of processing persons of the Catholic faith was thoroughly worked out and the Church did not consider itself interested in the matter of auditing Roman Catholics and did not restrain any from being audited when Roman Catholics asked permission to be. Indeed, Scientology is closer to the "Faculty Psychology" of the Church in the sixteenth century than modern psychology is. Modern psychology is not accepted by the Church because it considers man to be an animal with no soul. Scientology not only accepts but can prove that man does have a soul. Saint Thomas Aquinas is an early forerunner of Scientology. Scientology is not an heretic religion and demands no belief or faith and thus is not in conflict with faith. Several monseigneurs of the church have been interested in Scientology and have approved of our activities. The late Pope Pius was an enemy of psychoanalysis but was heard to express a neutral attitude toward Scientology. He once assisted us in handling a government matter in the United States.

All that processing requires is that you obtain a better reality on your environment and all its drills are aimed at this. Thus it has no conflict.

Just as your religion would not forbid you to obtain a better command over a typewriter, so it could not be expected to forbid you to obtain a better command over your office, staff, or home. There is no conflict here.

It is interesting that in nearly ten years of public presence, the materialistic sciences have often rapped at Scientology (Communism is a violent foe of ours) but never once in any country including Ireland has the Roman Catholic Church raised its voice against us.

HCO WW Council

An HCO Council is being formed in the States to assist HCO WW Saint Hill in the inauguration of Permanent Franchise Centers. This is taking the place of the work Nile Adams was doing.

At the moment the Committee is being formed.

Nibs, and Dick Halpern who is the chairman, are busy getting the Committee rolling and thoroughly organized.

So far we have received four confirmations from field auditors who were invited to participate actively in this most important project.

There answers are enthusiastic and keen, and are as follows:

Dick Halpern: "I understand from Nibs that you have nominated me to serve on HCO WW Committee on U. S. Franchise Centers. I accept with pleasure. Thank you."

George Seidler: "I accept your appointment to the HCO WW Committee. Thank you. I am pleased that you chose me and will be happy to serve you. My loyalty is to you, Ron, and to the organizations you personally O.K. I pledge my wholehearted support to maintaining a high level of ethical Scientological practice. And its high time we really got the show on the road. Let's go!!!!!"

Charles Berner: "I accept your appointment of me to the HCO WW Committee on U.S. Franchise Centers. I am happy with your choice of the Committee Chairman and the other Committee members. Send me what information you have on the post. I am ready to go into action. Thank you for getting the field started on the road to a clear earth".

Christian E. Rossee: "Yes, I will be honored to serve and help in every way I can. So, please give me further information on the Committee. Very best regards."
