HCO BULLETIN OF DECEMBER 16, 1959.

IMPORTANT

To the degree that a PC does not take responsibility for his Overt and Withholds his bank becomes solid.

On all cases on which Overt-Withhold is being run it is absolutely necessary that they be levelled off with responsibility on the incident, or the session involved, or both.

A tone arm brought down by reducing the Overt and Withholds can be made high again because Overt-Withhold has a step 6 reaction of toughening up the bank and making masses and facsimiles solid, unless the terminal and the session is handled with:

"What part of a could you be responsible for?"
