B.P.I. HCO BULLETIN OF JANUARY 2, 1960
(Originally issued in Washington D.C.)

HAS CERTIFICATES

(Cancels existing directions)

The qualifications for an HAS Certificate are changed to fit the reality of existing courses.

Great success is being obtained by placing people in the Co-Audit directly from PE, according to US and some other Franchise holders.

Therefore a modified HAS Certificate will be issued to all persons attending Central Organization or Franchise PE Co-Audit Courses; such persons must have: cleared the present lifetime of overts and witholds of one other person and have their own overts and witholds cleaned up, all incidents discovered to have had responsibility flattened on them.
