Success in Australia

Congratulations, HASI Australia!

From Peter Williams, Association Secretary in Melbourne, comes good news. HASI Melbourne made $\$$ 1324 in one week. Only a week ago HASI Johannesburg reported an income of over $\$$ 2000 in one week.

It seems that the " $\$$ 1,000 week", once a seemingly unattainable dream, may now become almost routine. There's no limit if we set our sights high enough.
