LETTER OF APPRECIATION

A staff auditor in Washington received a letter from a preclear who had received processing nearly a year ago. Here are extracts from the letter:

"It's been nearly twelve months since I was there in DC. The last nine months are without doubt the fullest and nicest I have lived this time around.

In a short letter it is difficult to tell all that has happened. My heart is full, and overflowing. For the first time I've had nine months, consecutive, during which life was worthwhile ALL the time."

The same preclear is also sending his wife and son for more processing.

Appreciation such as this reminds us that anyone who is working for Scientology is indeed helping to create a sane and happy earth.
