HCO BULLETIN OF MARCH 17, 1960

ORG BOARDS

Each Org. should send to HCO WW occasionally (about once in each six months or a year) a copy of an up-to-date Org. Board. This is fairly easily and quickly done by pasting the names in blocks on to a large sheet of paper and drawing in the lines with red and blue pencil.

As the names and/or post change, the changes should be sent in to HCO WW also, so that the boards can be kept up to date.

The person responsible for seeing this is done is the person who is in charge of the Org Board, normally the Secretarial to the Executive Director.

PETER HEMERY  
HCO Secretary WW
