HCO BULLETIN OF AUGUST 23, 1961

NEW CLEARING BREAKTHROUGH!

The failures of auditors to get assessments done rapidly, the failure of pcs to get their goals and terminals found, and other important factors of clearing are resolved and covered in full in my lectures of:

August 8 - 9 - 10 - 15 - 16 - 17 - 18 - 22 - 23; Saint Hill Special Briefing Course.

No special courses on clearing should be started before the instructors have heard and understand these tapes. HGCs are, in particular, alerted to these tapes.

These lectures, each about 1½ hours long, summate findings on clearing gained this summer at Saint Hill and resolve the clearing problems being met in HGCs, and lay out clearing for future continental courses to avoid the errors of the Australian and DC courses, where long assessment reduced student results.

These tapes are available from Washington DC (If you've paid for your tapes to date, we add commercially.)
