HCO BULLETIN OF DECEMBER 15, AD12

URGENT  
R2-12  
THE FATAL ERROR

The surest way to retard and upset a case with Routine 2-12 is to find a Rock Slam on List One, Tiger Drill it down to a dirty needle and then represent it.

That case will then hang up, 2-12 can be pronounced as unworkable and the whole thing can be skipped.

Yes, the represent list so taken will RS. Yes, the List One Item tested again will probably now RS. Yes, the auditor has followed the rules of R2-12. All except one, and that rule is:

IF AN ITEM ROCKSLAMS WHEN CALLED ON LIST ONE OR AT ANY TIME DURING TIGER DRILLING, NO MATTER HOW BRIEFLY, THAT ITEM MUST BE GIVEN AN OPPOSITION LIST.

And another rule:

IF YOU AREN'T SURE IF A LIST ONE ITEM GAVE PAIN OR SENSATION, THE OPPOSITION LIST MUST BE MADE BOTH WAYS, "WHO OR WHAT WOULD IT OPPOSE" AND "WHO OR WHAT WOULD OPPOSE IT."

If more than one Item RSed on List One you take what RSed longest or was closest to the session.

List One Items do not have to continue to Rockslam forever in order to do opposition lists to them.

Most pcs who know the rules lie about pain or sensation in order to pretend List One Items are terminals. Do the opposition lists both ways as above and nul all.

---

Routine 2-12 has only this frailty: Rockslammers will not find rock slams on List One. And Tiger Drilling can be counted on, in inexperienced hands, to suppress the RS.

---

A case BOGS when you represent an RS-ing Item.

NEVER represent an RS-ing Item. Always oppose it.

---

Hear me, now. Almost 100% of RS-12 cases will fail if no attention is paid to the above.

---

If you get a case that gets only dead horses, don't go to the Zero A List. Just write an opposition list to Scientology. You'll be right ninety percent of the time. The other ten percent RS on Scientology Orgs and Auditors.

---

Opposition Lists only on RS-ing Items. Hear me now.

---

If a case EVER ROCKSLAMMED ON A LIST ONE ITEM, whether on an old Security Check, a Joburg, a Rock Slam Sec Check, and you now do only represent lists from List One, that case will hang, or make small gain on R2-12 until somebody is smart enough to look at the record and oppose that RS-ing Item.

Honest, the case is finished right now. kaput, wrecked, smashed, ended, snarled, messed up, ruined, stopped and skewered until a List One Item that RSed ever so briefly is opposed. Represent Lists will get it nowhere until this is done.

Hear me, please.
