SOME FAMOUS JUSTIFICATIONS

It wasn't really an overt because

It wasn't me it was just my bank You can't hurt a thetan He was asking for a motivator He's got overts on me I've got a service fac on that His overts are bigger than mine My intentions were good He's a victim anyway I had by-passed charge I was just being self-determined I've come up to being overt It's better than suppressing I'll straighten it out next lifetime He must have done something to deserve it He was dragging it in I was in an ARC break He needed a lesson He'll have another life-time anyway It's only a consideration anyhow It's not against my moral code Codes are only considerations They couldn't have it They weren't willing to experience it I don't see why I have to be the only one to take responsibility It's about time I was overt They are only wogs anyhow They are so way out they wouldn't realize it He's such a victim already, one more motivator won't make any difference They just can't have 8-c I can't help it if he reacts He's too critical He must have missed W-Hs. He's a no-effect case anyhow I'm above moral codes Why should I limit my causativeness Just because other's can't take it It was my duty to tell the truth You wouldn't want me to withhold He must have postulated it first He never would have cognited if I hadn't told him I'll run it out later He'll be getting more auditing
