HCO BULLETIN OF 5 AUGUST 1968

Remimeo

LEVEL II

CHANGE OF COMMANDS

OVERT - MOTIVATOR SEQUENCE

IMPORTANT

(This HCOB takes precedence over all other
tapes and HCOBs on overts.)

Whereas it is workable to ask for "What have you done" and
"What have you withheld", it is NOT the Level II Grade II process
any longer.

The original work on this used the overt-motivator sequence
and the commands are

"What have you done?"
"What has been done to you?"

There is a third "leg" which is

"What has another done to another"

which can be used and if not used may stick as a flow.

This is a problem in flows. (1) Inflow, (2) Outflow,
(3) Cross Flow.

Therefore the only commands to be used to clean up overts
are three in number. They are run one at a time to floating
needle on the process (not F/N on each leg).

"What has been done to you?"
"What have you done?"
"What has another done to another?"

(By drawing three symbols

an auditor can put his pen on each as it is asked and so keep
his place.)
