OUT TECH

After Standard Tech is out for just so long in an org, Scientology ceases to have any meaning.

Squirrel processes and repairs wind the staff up in a ball, enturbulate the field and cause a general lethargy and trouble.

Ethics then goes in hard or it all goes up in smoke.

There is only one Standard Tech! It contains only a few dozen processes and actions. It was not complete before 1966. Students study mainly the Research Line. Standard Tech consists of the exact grade processes and Case Repair.

Some still look for magic buttons that resolve a case all at once. Some can't duplicate what they read and hear.

They need the broad body of knowledge.

BUT the actual application of Dian & Scn today contain only a few dozen STANDARD INVARIABLE SIMPLE actions and processes.

When these are not used, when opinion enters, it's all gone.

STANDARD TECH ALONE RESOLVES ALL CASES.

No matter how bright the other processes and new inventions of someone else (a) work only on a few and (b) are efforts to solve one's own case by auditing others.

To let Standard Tech go out is an act of Treason as Scientology then loses all meaning in an org.

This is why I am teaching a Class VIII Course.
