HCO BULLETIN OF 31 AUGUST 1968

Remimeo
Case Supervisor Hat

It is a High Crime for a Case Supervisor not to WRITE
in a Preclear's folder what the case supervised instructions are
and a High Crime for an auditor to accept verbal C/S instructions.

To commit this crime causes:

- (1) Extreme difficulty when doing a folder error summary as there is no background of what was ordered and why.
- (2) Gives the auditor leave to do anything he likes as not in writing.
- (3) Is open to misduplication and can cause squirrel processes to be run and so mess up a preclear with Non-Standard Tech.

Any C/Supervisor found guilty of this from this date is to be removed as this could only be considered a deliberate attempt to mess up preclears.
