HCO BULLETIN OF 17 SEPTEMBER 1968R  
REVISED 31 JANUARY 1975

Remimeo  
Class VIII

There are 6 zones of action in Class VIII:

- (1) Auditing for Grades "obtains real case gain".
- (2) Repair of misaudited Grades.
- (3) Setting up cases to run a Grade.
- (4) Case Supervising the auditing of Grades.
- (5) Case Supervising the repair of mis-audited Grades.
- (6) Case Supervision of setting up cases to audit Grades.

Each of these is a separate skill and must be learned.

Each has its precise and invariable actions and these must be learned. There are no others.

A student's reality must be able to embrace that there are no others. His grip on tech must be so exact that he doesn't flub Standard Tech and so begin to look for unusual solutions in any of the six above actions.

A good C/S is bound by the Case Supervisor's Code and a good C/S does not use 2 (two) or 5 (five) above as an excuse to give assists. Assists have no part in Class VIII skills which depends wholly on the grades for case advance.

A pc released at zero will of course soon begin to have problems. He goes to the next grade, not to Review for an assist.

No one grade solves the whole case. That's why there are grades.
