GLET

When you see glee on some fellow on a post, realize it's bocause he doesn't understand what he's doing.

Ho!s ignorant about something and above that is confusion and above the confusion you see glee.

People who make fun of a serious needful action or duty just don't dig it, that's all.

There are remedies. There's instruction or Remedy B. And these should be used.

But this glee is nevertheless a kind of insanity. Froud mentioned that people who couldn't understand something sometimes giggled in an embarrassed kind of way. I rarely take any data from him but in this case, he was right. It was a good observation.

However, he had no cure for it.

You can got a whole area into a kind of glee when they don't grasp what they are doing.

If you see somobody in gloo, got a Remedy B run on them in Qual.

Glee is a special kind of embarrassod giggling. You'll know it when you see it.
