HCO BULLETIN OF 23 SEPTEMBER 1968

## NEW RUDIMENTS (This HCOB cancels HCOB 3 July 65)

The Class VIII technique is floating the needle on rudiments before doing a new grade, power or rehabs.

- (1) "Do you have an ARC Bk?"
  (If the question reads handle with ARC, U and CDEI.)
- (2) "Do you have a present time problem?"
  (If this reads handle by any quick problems process.)
- (3) "Has a withhold been missed?" (If so, get it.)

Remember that on each of these questions, if they don't blow, they can be traced back to an earlier ARC Bk, problem or withhold.

If no F/N occurs, then the auditor uses a Green Form or a List (such as L4a) to produce one.
