HCO BULLETIN OF 9 NOVEMBER 1968

CLEARING COMMANDS
ALL LEVELS

You never let the pc off the cans in Standard Tech.

The pc can go release on the subject of the process without the process being run.

Therefore, while clearing commands never let the pc off the cans. The Auditor opens the dictionary to the correct page for the pc to read.

(This HCOB does not alter or change HCOB 14 Nov 65 "Clearing Commands".)
