MEDICAL DOCTORS

LRH ED 4 INT 22/2/69

If orgs train any medical doctors they must be trained on the following basis:

1. They are NOT twinned with a layman but only with another medical doctor.
2. They are enrolled in a DIANETICS course only and told to perfect the use of that in their work.
3. They are courteously treated.

SEMINARS

In addressing any group of medical doctors keep it in the field of DIANETICS.

Discuss Dianetics from the viewpoint of Communication with body areas to assist circulation and the mental image picture as a means of continuing shocking experiences.

Any lecturer to medical doctors should do a fast review first of Dianetics: The Modern Science of Mental Health and stick with it only.
