HCO BULLETIN OF 27 APRIL 1969

R-3-R
Restated

COMMANDS ON SECOND RUN ON AN INCIDENT

Until a full rundown is issued, this error in R-3-R as published is corrected.

In going through an incident the second time one DOES NOT ask for date and duration again or any description.

After the 1st time through an incident and when pc has recounted it the auditor

- A. Tells pc "Move to the beginning of the Incident"
- B. "Tell me when you are there--"
- C. When pc has said he is "Scan through to the end of the incident".
- D. "Tell me what happened".

The second, 3rd etc. run through the same incident use the above or some variation thereof.

ERASURE OR GOING SOLID

After the second time through, find out if it is erasing or going more solid. If it is erasing go through it a third time, etc. until it is erased. Erasure is usually accompanied by a Floating Needle and a cognition immediately afterwards.

PC INTEREST

In doing R-3-R it is necessary that (a) one choses things the pc is interested in and (b) one does not force a pc to run things he is protesting being run on.

ERASING LAST INCIDENT FOUND

If you ask if there is an earlier incident and the pc says "No" you do not just walk off from the one he was just running. You send the pc through it again and it will erase.

COMPLETING CHAINS

If you do sloppy R-3-R and do one thing after another without getting an F/N or an erasure, you will get the pc stuck up on the track. You complete each chain to F/N or erasure.

F/Ns vs ERASURE

If a LOCK F/Ns you can get earlier incidents on the same chain until the pc actually runs the engram or chain of engrams.

While it is not always safe to pass an F/N and go earlier to the real engram and erase it, a pc who is only F/Nd on locks will

get the engram keyed in again later. The somatic may return unless engrams are run to erasure.

ENDING SESSIONS

An R-3-R session can be safely ended on a cognition and Good Indicators such as a cheerful happy pc.

This doesn't mean the end of all Dianetic auditing. In the next session another assessment will turn up more unwanted feelings.

ENDING DIANETICS

Dianetics is ended off only when a pc has become well and happy and remains that way.
