HANDLING ILLNESS IN SCIENTOLOGY

Sickness is of course the result of engram chains in restimulation.

One has to ask, however, what causes restimulation to occur?

The answer is Out-Ruds plus a suppressive environment or situation.

Therefore, obviously, if one wanted to really handle handle handle sickness and do some miracles, one would use the lot of one's weapons.

Don't mistake that Dianetics (HCOB 24 July 1969R SERIOUSLY ILL PCS) can all by itself practically bring the dead to life to all intents and purposes and it can be used all by itself.

However, when that doesn't work completely, then the Class VIII Case Supervisor and well trained Scientology auditors can step in.

Let us examine the basic full dress parade routine of what Scientology and Dianetics could be used.

1. Put in Life Ruds (as given below).
2. 3 S & Ds.
3. *Narrative handling and full Preassessment on the sick area, run Triple or Quad, plus other Dianetic Assist Actions and any needed medical treatment. (See HCOB 2 April 69RA, Rev. 28.7.78, DIANETIC ASSISTS, which cautions against overwhelming a sick pc with too much restim.)*
4. NED for OTs (on OT III and above).

Obviously this illness hasn't a chance at all. It disappears in 1. Or in 2. Or in 3. Or in 4. . . .

The system is obvious. You take away the current out-ruds and the illness can de-stimulate. You take away the suppressions and de-stimulation is more positive.

You erase all the engrams and the source is gone.

You do the second, . . . third, and zero flows and the overts and sympathies are also vanished.

On ruds alone you can of course get a recurrence.

You also risk a recurrence on the S & Ds.

The motivators go on the engram chains.

The overts and sympathy for like illness goes on the second, . . . third and zero flows.

LIFE RUDS

As the person with Out ruds makes no real gain it is wise to put ruds in "In life".

This is done with

"In life have you had an ARC Break?"

"In life have you had a Problem?"

"In life have you had a withhold?"

If the person has had much auditing you ask after each of the "In life" questions "Was that present in an auditing session?"

S & Ds

The full parade for three S & Ds (as given in HCOB 19 January 1968 in the Class VIII pack) is as follows:

3 Item S & D

Fly a rud.

Assess

Withdraw From

Stop

Unmock

Suppress

Invalidate

Make Nothing of

Suggest

Been Careful of

Fail to Reveal

Take the 3 that read best (null to 3 items). Use the one that read most first.

Test one of these items in these two questions to see which question then reads best.

"Who or What has attempted to.....you?"

"Who or What have you tried to.....?"

List the best reading question by the laws of Listing and Nulling. BE EXACT IN FOLLOWING THOSE LAWS or you'll make the person even sicker!

Use each of the 3 this way.

Prepcheck any item that does not F/N until it F/Ns or proves not to be the correct one in which event correct the list. If the list item does not F/N on being found and indicated, you prepcheck it to F/N.

DIANETICS

The New Era Dianetics HCOBs fully cover assists and Dianetic handling of body problems and illnesses.

This rundown is what could be known as beating an illness to death.

Handling it medically and spiritually should bring home a winner every time.

This full approach is recommended only when one has encountered a resistive situation.

Very often a Dianetic Assist precedes all this.

Usually the Dianetic handling is done without the ruds or S & Ds.

But when you have somebody whose "lumbosis" has not surrendered to Dianetics, you have this full approach to fall back on.

It's nice to have a full arsenal.
