HCO BULLETIN OF 15 JANUARY 1970

Issue III

TR 104

To avoid coach restim in doing TR 104 please note the followings:

1. The "session" is between STUDENT and DOLL. TRs are done on the DOLL not the coach.
2. The coach is not obliged to answer all of the commands - he ~~may~~ or may not. If he doesn't, the student assumes the DOLL has answered and proceeds accordingly.
3. NEVER give dates and durations, as a coach, in actual units of TIME - use something else. "4 Figs", "2 potatoes", "horsefeathers" are all perfectly good "dates" for coaching purposes.
4. Likewise never use real somatics in coaching TR 104 - use nonsense terms or harmless ones.
5. The COACH occupies the position of a 3rd Party who interjects distractions, bull-baiting and disruptive remarks into the "session" between student and doll. He can throw in answers on behalf of the doll which the student must abide by; but the coach does not play the part of "pc". Don't go playing the role of "pc" on a real set of process commands!

Also, please note that the POSITION of the coach in TR 104 is beside the student, not across from him.

Lt. N. Jessup CS4
