HCO BULLETIN OF 6 MAY 1970

BLOWS

AUDITING PAST EXTERIOR

I have found a major cause of blows from classes, orgs and Scientology.

Overts are of course a primary cause but many have overts and don't blow, so why do such people blow?

A case audited past Exterior, particularly if it is not acked, tends to get stuck on Exteriorizing. This can (but doesn't always by any means) cause the person to take himself away!

Three recent "blows" all fell in this category. One who was trying to blow, when audited on Interiorization, changed his mind.

An amazing number of pcs go exterior on modern auditing. Modern processes, Dianetics and Scientology are very fast.

Some haven't even realized it, didn't know what it was.

When they go exterior and you keep on auditing them without running Interiorization as per HCO B 22 March 1970, Exteriorization and High TA, they become stronger as thetans while being reinteriorized and they get odd somatics, particularly in the head.

Uncomfortable they want OUT. Trying and failing to get out (since Interiorization has not been run) in desperation they leave an org or class body and all without being Exterior as a thetan.

If you rehab exterior and Run an Interiorization Intensive the dramatization ceases.

The excuses such "blows" give you would fill a large book. Yet it is only that they are seeking to exteriorize, can't, so they "exteriorize" by leaving body and all.

The Interiorization Intensive as given in the earlier HCO B handles.

A person couldn't be audited past Exterior, you know.

But if given an Interiorization Intensive he or she can be.

When they have been audited past exterior without an Interiorization Intensive you will have trouble with the case, the TA and with blows. So use the Interiorization Tech.
