3. Take each reading item from the best read on down and with E/S pull each one to F/N.

"In the subject of _____ what word has been misunderstood?"

He may look them up, so have a good dictionary handy.

It isn't an earlier time he misunderstood that word. It's an earlier word in that subject and it can be an earlier subject.

Considerations about it and other questions are not touched.

Overts, W/Hs etc. are neglected.

Just do the process and it will eventually F/N on each chain.

A persistent F/N should be attained as the EF.
