Word Clearing Series 19

ALTERATIONS

There is a basic law in Word Clearing:

AT THE BOTTOM OF ALL ALTERATION OF MEANING  
OR ACTION IS A MISUNDERSTOOD WORD.

This law at once explains why communication, ideas or  
application become falsified, twisted and corrupted.

This law is of great use in word clearing:

A. It indicates who has to be word cleared FAST, at  
once, NOW before duties go off the rails any further.

B. It detects the area just before which there is a  
misunderstood word.

A is useful to the administrator. Knowing it and know-  
ing word clearing and being able to do it himself or get it  
done, he can avoid wholesale dismissals, frantic transfers,  
general inefficiency and organizational strain.

B is very useful to the Word Clearer.

Example of B. A person can do everything on an order  
except "File the Folders" which he insists on delivering to  
a wrong room. Look over the order and find where in it it  
talks about filing folders. Just above or beside that will  
be a misunderstood word. Locate it, get it identified  
defined and used in sentences. The person can suddenly file  
folders!

Just BEFORE or WITH the point a person begins to alter  
will be found a misunderstood word.

Thus

1. Discover what a person alters.
2. Find what came just before that.
3. Find the misunderstood word.
4. Get it looked up.
5. Get it used in sentences as long as it moves a  
meter tone arm.
6. End off on F/N VGIs.

HCOB 4.9.71  
Issue II

-2-

The ability to do it straight will have been returned.

It is very magical.
