F/Ning AUDITORS

Students who study well are said to be F/Ning students.

An auditor who is auditing well could be said to be F/Ning the whole time.

When an auditor goofs or is having a rough time because of his own TRs and misunderstood words and lack of data, he is not F/Ning.

A C/S who lets an auditor struggle along without insisting on a Cramming being in existence and without sending an auditor to cramming on each goof is actually condemning the auditor to a miserable time.

When an auditors production is low and when he is making goofs, he is not an F/Ning auditor. This shows up heavily in the Exams of his pcs. These Exams will drop away from F/N VGIs.

An auditor should be sent to Cramming when his production is low or he goofs in order to get his TRs, misunderstood words and lack of data remedied.

Cramming should be carried out until he is F/N VGIs.

EVERY AUDITOR LEAVING CRAMMING SHOULD GO THROUGH THE EXAMINER.

The Exam report with TA and needle state and indicators should be done exactly like a pc report.

Compliance reports on the Cramming cycle should have the Exam report attached so the C/S can see if the fault was remedied. If it was, then it will be F/N GIs.

This also puts Cramming on its toes.

An auditor, just crammed, who doesn't F/N VGI should be hauled straight back into Cramming for the cycle is incomplete or invalidative or faulty in some way.

Cramming Officers who win on auditors and students are F/Ning Cramming Officers.

C/Ses who send auditors to a good cramming for every goof will wind up as F/Ning C/Ses.
