COMMANDS

This form is to be used by the student, or Word Clearer on the student or pc. If in the Classroom, do not start Method No. 2 if the student has a high or low TA. Do not do Method No. 2 if the student or pc is upset or is in Pain.

1. Have student read the text aloud while holding the cans. Watch for a read and make the student look up the word which just read on the meter (has to be an instant read). Auditor notes meaning in the Dictionary.
2. Have the student use the word in sentences of his own making until he brightens up and an 'FN' occurs.
3. Indicate the floating needle and make the student continue reading the passage where the read occurred.
