EXTERIORIZATION

(Taken from HCOB 5 Mar 1971,
EXTERIORIZATION AND HIGH TA
by LRH, for use on the HQS
Course)

Exteriorization is defined as the act of moving out of the body with or without full perception.

It is the fact of this act which proves that the individual is not a body but an individual. This discovery in 1952 proved beyond any question the existence of a thetan, that the individual was a thetan, not a body, and disproved that man was an animal and that he was a spiritual being timeless and deathless.
