HCOB 3 Feb. 72 R6EW - OT III NO INTERFERENCE AREA

MAJOR ADVANCES

Two phenomenal technical advances made in recent years - New Era Dianetics and the technology resulting in the NED for OTs levels - have, by their nature, made it especially necessary to clarify and re-enforce the No-Interference Area.

These two powerful developments alone represent giant strides in the refinement of the technology. With their release in 1978 we were suddenly making Clears and OTs more rapidly than ever before.

One result of the research which culminated in NED and the NED for OTs levels was the discovery that Dianetics must not be run on Clears and pre-OTs. This required a full review of auditing materials to align all of the various levels and actions with that vital technical rule.

With the additional developments which followed upon the heels of these advances - the Purification Rundown, the Happiness Rundown, the shift in the Grade Chart which puts Grades 0 to IV before NED, the Clear Certainty Rundown and Sunshine Rundown, the new Solo Auditor Course Part I which can be done in orgs, OT Preparations and Solo Auditor Course Part II done at Saint Hills or higher orgs, all of these major advances in themselves - I made certain that brand new NED Clears moving up the Grade Chart through OT III, the NED for OTs levels and beyond would have available the tech they need, both auditing-wise and training-wise, each step of the way.

Some C/Ses and auditors have had confusions regarding the No-Interference Area and have not fully aligned the technical developments made in recent years with the basic principle and rules regarding the No-Interference Area. Some pcs, as a result, have been audited on actions which were not needed or which they should not have been given between Clear and OT III.

The route to Clear and OT is now swifter. It needs to be very well defined and handled standardly, from an administrative as well as a technical viewpoint.

Therefore, I have revised and updated this HCOB to state exactly what can and cannot be delivered in the No-Interference Area.

CLARIFICATION AND RE-ENFORCEMENT OF  
THE NO-INTERFERENCE AREA

The No-Interference Area is still the No-Interference Area, with exclamation points!

It is defined today as:

THE ZONE FROM NEW OT I TO OT III COMPLETION (FOR THOSE WHO WENT CLEAR ON NED) OR FROM R6EW TO OT III COMPLETION (FOR THOSE WHO DID NOT GO CLEAR ON NED).

This is the critical band of the Gradation Chart.

On Flag it was learned the hard way that you don't do other major auditing actions between these points.

Example: Pre-OT doing OT III is given the End of Endless Int Rundown. Result: You will have nothing but trouble, trouble, trouble. Right action: get the pre-OT through Solo OT III to completion.

The rule is: FROM NEW OT I TO OT III COMPLETION (FOR THOSE WHO WENT CLEAR ON NED) OR FROM R6EW TO OT III COMPLETION (FOR THOSE WHO DID NOT GO CLEAR ON NED) ONE DOES NOT DO ANYTHING EXCEPT KEEP THE PC WINNING.

A person between New OT I and the completion of OT III (for those who went Clear on NED), may only audit on New OT I, OT II and OT III.

A person between R6EW and the completion of OT III (for those who did not go Clear on NED), may only audit on R6EW, Clearing Course, New OT I, OT II and OT III.

Pre-OTs in the No-Interference Area may only be audited on repairs for those levels (by a trained and qualified Advanced Courses Review Auditor), as covered by standard C/Sing HCOBs regarding these Solo levels.

EXCEPTION

Pre-OTs progressing well in the No-Interference Area should not be interfered with by Sec Checking or anything else. However, when a pre-OT is stalled or moving slowly, any of the actions listed below, as appropriate, can be ordered by a qualified C/S (Ref: HCOB 27 Mar. 84, C/S Series 119, STALLED DIANETIC CLEAR: SOLVED):

- 1) Non-audited PTS handlings
- 2) Confessionals and O/Ws
- 3) The handling of postulates, considerations, attitudes, evil purposes or evil intentions (False Purpose Rundown)
- 4) Service Fac handling (bracket method only, no R3RA)
- 5) Disagreement Checks.

A pre-OT in the No-Interference Area would never be given Dianetics or Book One Auditing (any R3RA as part of NED or a rundown or assist or Repair List), lower grades, any Clay Table Processing, TRs or any Int Rundown.

For those who went Clear on NED, Power Processing (Grade V or VA), R6EW and the Clearing Course would also not be given.

THE AREA BETWEEN CLEAR AND NEW OT I

FOR THOSE WHO GO CLEAR ON NED

A person who goes Clear on NED gets his Clear Certainty Rundown and Sunshine Rundown at an org qualified to deliver them, then does the Solo Auditor Course, Part I. From there he is promptly routed to a Saint Hill Org or higher for OT Preparations, Solo Setups, Eligibility for OT Levels Check and to continue on up The Bridge.

Orgs must not hold onto Clears unnecessarily and anyone who is Clear but not OT III had better be pushed up to OT III fast because otherwise he is at risk.

Persons who go Clear on NED and who are progressing and doing well should not be interfered with; however, when a Clear is stalled or moving slowly, any of the actions listed earlier under the "Exception" section may also be given to pcs between Clear and New OT I.

ADDITIONAL SERVICES THAT MAY BE DELIVERED

BETWEEN CLEAR AND NEW OT I FOR THOSE WHO GO CLEAR ON NED

A person between Clear and New OT I may also receive the following actions to prepare him to move onto the OT levels:

- A) PTS Rundown and Suppressed Person Rundown, but no R3RA
- B) Scientology Drug Rundown
- C) Method One Word Clearing
- D) Int handlings if required, including End of Endless Int, but no R3RA
- E) The Happiness Rundown and any other such special rundowns that do not include R3RA, such as the Asthma or Allergy Rundown, Auditing Repair List for People from EST or Scientology Marriage Counseling
- F) Primary Rundown
- G) The Flag-only rundowns of L10, L11, L12
- H) Super Power
- I) Professional TR Course (with Clay Table Processing)
- J) The Hubbard Key To Life Course
- K) The Hubbard Life Orientation Course.

A person between Clear and New OT I would never be given Dianetics or Book One Auditing (any R3RA as part of NED or a rundown or assist or Repair List), Power Processing (Grade V or VA), R6EW or the Clearing Course.

THE AREAS BETWEEN OT LEVELS,

FOLLOWING COMPLETION OF OT III

Pre-OTs completed on OT III or who are completed on any other OT level may never be given Dianetics or Book One Auditing (any R3RA as part of NED or a rundown or assist or Repair List), Power Processing (Grade V or VA), R6EW, Clearing Course or lower grades.

In the instance of someone who did not make lower levels before New OT I, yet started on the OT levels anyway (called a "bypassed case" per confidential AO materials), the person, after OT III, could be put back to complete some lower action that he had not honestly attained. This would ONLY be done at an Advanced Organization, by a qualified AO C/S.

The only other restrictions that apply to pre-OTs between any OT level following the completion of OT III are:

a) Pre-OTs in the area between the start of New OT V (Audited NOTs) and the completion of New OT VIII (Truth Revealed) may not receive the Happiness Rundown or the Flag-only rundowns of L10, L11, L12.

b) Pre-OTs in the area between the beginning of New OT VI (Solo NOTs Auditing Course) and the completion of New OT VII (Solo NOTs) may not receive any other auditing, with the exception of those services allowed in the No-Interference Area (between the start of New OT I and the completion of OT III) for pre-OTs who are stalled or moving slowly.

### TRs

Never order TRs after Solo materials study or before OT III is attested.

TRs should be done before or during Solo study but not after materials are issued. And TR Courses may not be done from then on to OT III.

A partially completed earlier TR Course found to be hanging up a pc on Solo grades can be handled to completion and should be. This does not mean long additional hours of TR 0, nor does it mean auditing a pc on TRs Clay Table Processing. It usually means word clearing on the TR materials and rehab.

### MAJOR ACTIONS

It is a very losing game to throw a major rundown in between R6EW (or New OT I for those who went Clear on NED) and OT III. The result is a mess.

The way to recover such a blunder is to get the pc rehabbed or to a rest point and then finish up the Solo grades to OT III attest and then complete the rundown.

### SET UP

It is VERY important that a pc be fully set up with Purification Rundown, Objectives and any other needed drug handling steps, lower grades and any other needed lower Grade Chart actions, before he goes onto NED and goes Clear.

### AUDITING SKILL

None of this states that you cannot improve a pc's auditing skill between Clear/R6EW and OT III (excepting only TRs).

BIG wins are to be had by doing so.

THE MAJOR CAUSE OF FAILURE ON SOLO GRADES IS THE INABILITY TO AUDIT.

The sources of failure on Solo are:

1. No or incomplete drug handling actions
2. Incomplete NED (Did not go Clear on NED but was incorrectly declared Clear when he had not made it.)
3. Case not set up
4. Inability to audit.

SUMMARY

Realize that from Clear (or R6EW) to OT III you have a closed band for other major actions.

So don't let people onto Solo auditing who have points 1-4 out.

If it has happened, patch it up as you can and let the pre-OT get on with it.
