WORD CLEARING METHOD 4

Tech and Admin Cramming Officers and Word Clearers use Method 4 Word Clearing when fishing for a misunderstood word. E.g. Cramming Officers use it to fish for misunderstood words concerning what the person is being crammed on. Word Clearers use it on Interns when the Intern needs a retrain or retread or even if the Intern is sent to Cramming. Course Supervisors use it in the Classroom too on students.

The whole idea is the person requiring the Method 4 Word Clearing has a Cramming Order or is not an F/Ning student because of confusion as a result of a misunderstood word, as per Word Clearing Series 16R.

Method 4 fishes for the misunderstood word, finds it, clears it, looks for another in the area until there are no more, F/N VGIs, then moves to another area, handles that - eventually the misunderstands that resulted in the Cramming Order or non-F/N student are handled.

It requires no C/S OK for it to be done. Method 1 is not a prerequisite to Method 4.

E-Meter Drill No. 21 is the E-Meter Drill to be drilled on Method 4. It's the method of fishing for a cognition.

METHOD 4 WORD CLEARING

- (1) It consists of stating "I'm not auditing you."
- (2) Check on the meter "Do you have any misunderstood words in (material that's being checked)?" Meter reads, word clearer finds the word, never accepting a confusion but finds the word giving the read (SF, F, LF, BD), gets it locked up in a dictionary and used in sentences until it can be seen from the sentences that the student now understands the word. This enables Method 4 to be done on a high or low TA as the word found doesn't have to be taken to F/N, just cleared to where its obvious understanding has been attained on the word. If you did get an F/N on clearing the word, that's fine; now look for another.

Of course if the above Question F/Es on asking, there would be no misunderstands on the material being checked, but the person is in Cramming, not an F/Ning student or whatever, so there obviously are misunderstood words to be found and handled.

Look at HCO PL 16 Feb 72 "The Purpose of the Dept of Personnel Enhancement". It says this Dept "reaches and looks for business all over the org and brings it in". So someone with stats down - student or post stats, confusion about what to do, overloaded, can't seem to handle it, how do you do this, etc, etc, are all indicators of misunderstood words as the person is saying confusion, confusion. Well, underneath the confusion is a misunderstood word just as Word Clearing 16R says.

Method 4 Word Clearing is what is used in doing and achieving the purpose of the Dept of Personnel Enhancement, HCO PL 16 Feb 72.

One of the ways the Word Clearers in this Dept do the job is using Method 4 Word Clearing.
