Expanded Dianetic Series 9

WHAT HASN'T BEEN HANDLED R/D

SITUATION:

Pc originates in session: "Actually no real interest in running Expanded Dn. I'm not saying it isn't going to work, but so far it hasn't got anywhere near what I want handled."

LRH COMMENT:

Now this is not beyond Exp Dn. It's great. It tells you a fixated interest.

LRH C/S:

1.   2WC mark all reads and BD's. Get it to F/N "What do you really want handled?"

2.   Get the best read out of all this. It will be an item or attitude or emotion or some such thing. Probably a condition.

Express it the way he says it and be sure that's what it is and the way he says it.

3.   Put it into R3R chain of when he had or did it. Then chain of another had or did it. Then chain of others had or did it.

If it's a doingness like a habit it's a did it. If it's a condition like an emotion or attitude it's a had it.

NEXT LRH C/S ON CASE:

1.   Can squeeze. Find a hav. Get an F/N.

2.   Check with pc if it's handled. If not ask "What remains to be handled?"

3.   If he gives you anything add it to list, get best read and check interest and R3R triple.

4.   If he says all handled go to next step of program.

5.   Havingness.

ANOTHER CASE FROM LRH C/S'S

LRH COMMENT:

You can't run intentions of Emotions and Attitudes. Look up these words in a Dictionary. You can only run intentions of a terminal of some sort - like intentions of a man or intentions in a headache.

You must combine significances with terminals, not with significances. You can't list successfully "What is your thought about a thought?" You can list successfully "What is your thought about a mass (or terminal)?" "What mass could be connected to what thought?" could even be listed. You start running significances about what masses and you'll do well. If you start running thoughts about thought you'll pull thoughts out of engrams and restim the devil out of the bank.

LRH C/S:

1.   2WC to F/N.

2.   2WC what have you really wanted to get handled? Mark all BD items.

3.   Take the item (biggest reads on the one just beofre F/N).

4.   L&N list to BD F/N item "What intention is connected with _____(in 3)?"

5.   If VGI on item found, R3R Triple.

ANOTHER CASE FROM LRH C/S'S

1.   2WC on what she is doing. What she wants handled.

2.   L&N Intention or Purpose re (1).

3.   R3R Trip.

4.   2WC on how she's doing. What she wants handled.

5.   L&N Intention or Purpose re (4).

6.   R3R Trip.

7.   2WC on how she is doing.
