

HUBBARD COMMUNICATIONS OFFICE  
Saint Hill Manor, East Grinstead, Sussex

HCO BULLETIN OF 21 JUNE 1972R  
Issue I  
REVISED 20 FEBRUARY 1989

Remimeo

(After the original issue of this bulletin, LRH ordered that it be corrected to delete the third paragraph which contained an incorrect datum. This paragraph stated: "The reason this Method is needed is because the person often does not know that he does not know. Therefore Method 4 has its limitations as the meter does not always read." This paragraph has been deleted and the bulletin is issued here exactly as LRH intended.)

Word Clearing Series 38R

METHOD 5

Method 5 Word Clearing is a system wherein the Word Clearer feeds words to the person and has him define each. It is called Material Clearing. Those the person cannot define must be looked up.

This method may be done without a meter. It can also be done with a meter.

The actions are very precise.

The Word Clearer asks, "What is the definition of \_\_\_\_\_?" The person gives it. If there is any doubt whatever of it, or if the person is the least bit hesitant, the word is looked up in a proper dictionary.

This method is the method used to clear words or auditing commands or auditing lists.
