FLUBLESS C/SING IN MISSIONS

(Ref: HCOB 16 Aug 72 C/S Series 84
"Flubless C/Sing")

If an auditor who is practicing in a mission reaches the point where he should be retrained, as per the bulletin, he is sent to the local org for his retrain cycle.

Per HCO PL 23 Nov 69 "Allowed Tech Services", a mission may not run Academy Levels, which necessitates the above statement.
