Cramming Series 26

METER USE IN QUAL

All Cramming actions done in Qual must be done on a meter. This means metered Why Finding, checks for misunderstands, scouting for areas of uncertainty, completion of clay demos and word clearing.

Neglect of the full use of the meter has led to half done, ineffective and often repeat Cramming cycles as the person's why or M/U was never found in the first place. Even worse, a wrong why can act as a wrong list item which brings about case chaos.

Every Cramming Officer must know and use all his tools. This includes metering.

The meter reveals all.

Use it.
