The purpose of this list is to give a TR Supervisor a standard list to find the cause of a student's bog on doing TRs, after standard word clearing actions have been done but have not resolved the situation.

The Supervisor must have an OK to operate an E-Meter and must have been passed on Assessment TRs in Qual to assess the list.

The student is put on the meter, checked for sleep and enough to eat. He is then given an R-factor that you are going to do a short assessment to find out what the real trouble is on doing TRs.

Then the list is assessed.

Clear the words of each line from the last word to the first before calling the line.
