Word Clearing Series 9

THE THREE TYPES OF WORD CLEARING

"Verbal in classroom: The student says he does not understand something. The Supervisor has him look earlier in the text for a misunderstood word, gets the student to look it up, use it verbally several times in sentences of his own composition, then read the text that contained it. Then come forward in the text to the area of the subject he did not understand." LRH (HCOB 24 June 71 WC Series 2 WORD CLEARING)

"By Meter in Classroom: The earlier passage is read by the student while on a Meter and the misunderstood word is found. Then it is fully defined by dictionary. The word is then used several times in sentences of the students own verbal composing. The Misunderstood area is then reread until understood." LRH (HCOB 24 June 71 WC Series 2 WORD CLEARING)

"By Meter in Session: A full assessment of many many subjects is done. The Auditor then takes each reading subject and clears the chain back to earlier words and or words in earlier subjects until he gets an FN VGIs." LRH (HCOB 24 June 71 WC Series 2 WORD CLEARING)
