Word Clearing Series 10R

SPEEDING UP A SLOW COURSE

Refer BTB 29 June 71 Word Clearing
Series 7 "Important Steps to Speed
Student Product Flow"

Situation - Course is slow - down tone not winning enough.
Students are not F/Ning students.

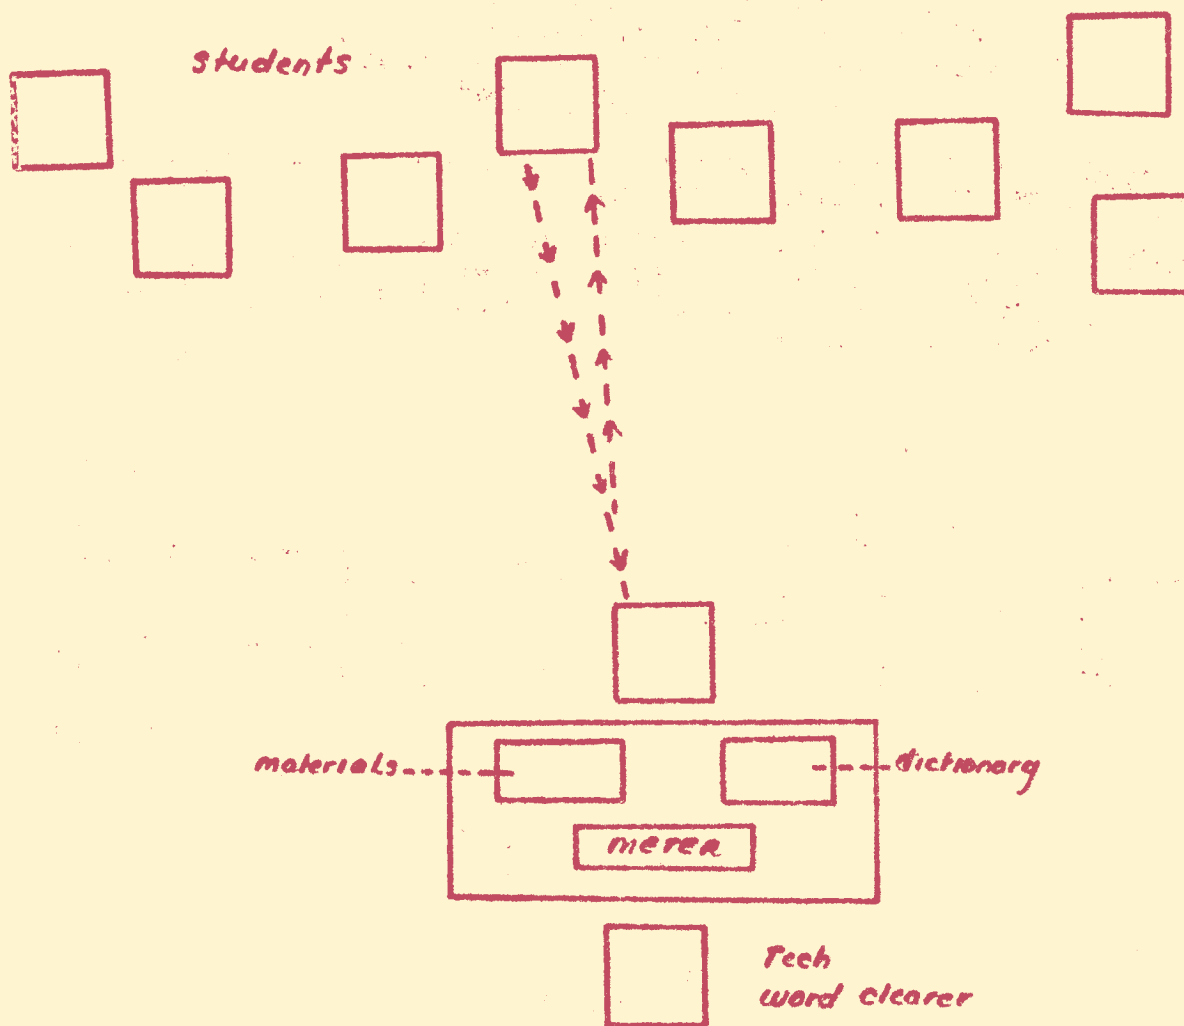

Solution - The Word Clearer calls the students up, (starting
with the faster students). Gives an R-Factor: "I am not
auditing you." and does Method 4 on selected materials which
precede the student slow.

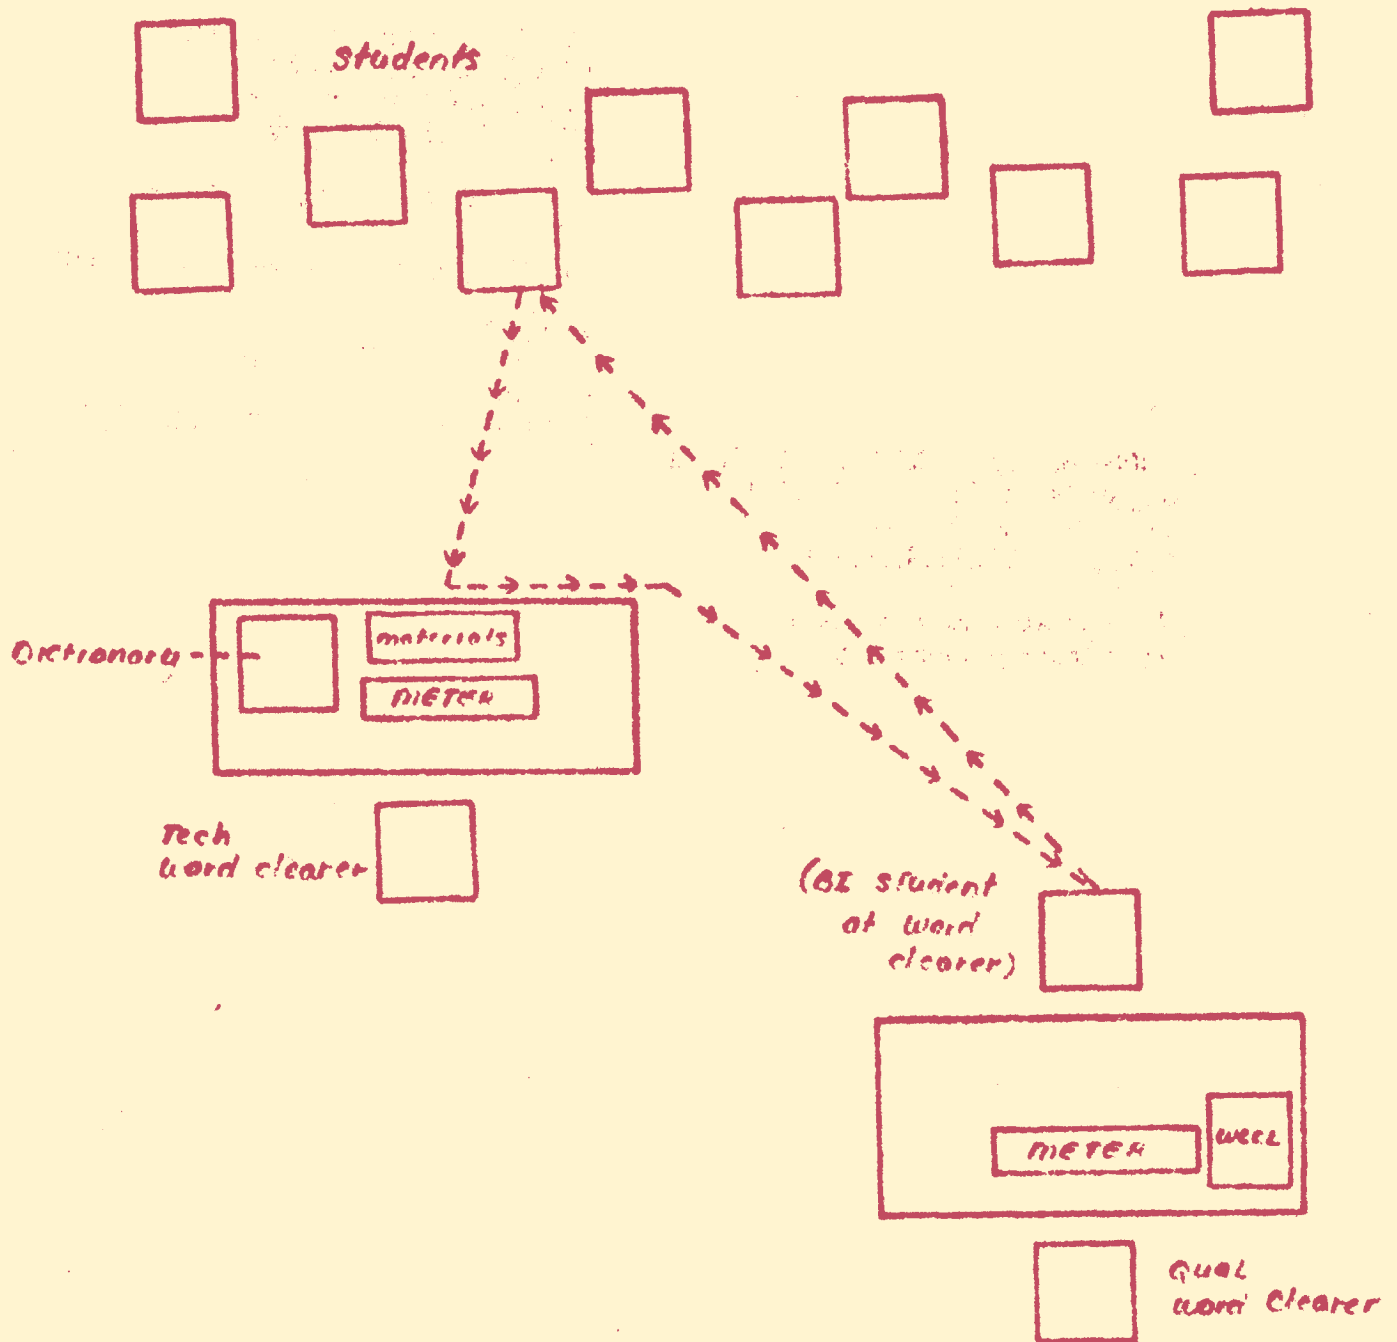

1. If there is no meter read the Word Clearer sends the student directly back to study.

2. If the meter reads the Word Clearer does M4 Word Clearing.

Student after that returns to study;

3. If the student has real Bad Indicators or TA at 3.5 or above or at 2.0 or below, or trouble with M4, the Word Clearer sends him directly to the Qual Word Clearer for a WCCL or CS 53RI by a Qual Auditor.

Result of these combined actions = Average student points rise and all students flying along. Quality will rise as well as speed.
