THE SPECIAL DRUG RUNDOWN - NOTE

Ref: HCOB 15 July 1971 C/S Series 48 R
Drug Handling

It has been found that Quickie Drug Rundowns have crept into existence.

It is essential that EVERY READING DRUG is fully handled per HCOB 25 Oct 71.

Do not check for pc interest when doing a Drug Rundown.
Take up each reading item in order of greatest read, and fully handle each one.

Not fully handling each reading item to erasure leaves the person open to a return to drugs.

There are three main ways a Drug Rundown can be done Quickie:

1. Not run all reading items to erasure because of no pc interest.
2. Not do all steps of the Drug Rundown, in sequence.
3. The pc can't run engrams. (Indicates by-passed steps in the Rundown itself.)

Any person who has had a Quickie Drug Rundown should be called in and fully completed.
