CANCELS  
HCO BULLETIN OF 10 DECEMBER 1971  
SAME TITLE

Word Clearing Series 29R

WORD CLEARING - OK TO DO

The following points concerning Course Word Clearing have recently been clarified by Ron.

1. Course Word Clearing can be done on a student currently being audited.
2. An F/N does not have to be obtained (by rudiments or talking the TA down) before Course Room Word Clearing can be started.
3. If the TA is high (above 3.5) or low (below 2.0) or the student is upset (or becomes upset) this must be reported at once to Department 14 and handled by a Word Clearing Correction List or C/S 53RI.
4. Course Room Word Clearing must be started with the statement "I am not auditing you".
5. Course Room Word Clearing does not have to be C/Sed. (Worksheets must be made however, and sent to the student's preclear folder.)
6. The student does not have to see the PC Examiner after having metered Word Clearing on course; but the Student C/S should be alert for any flubs, especially words not cleared to F/N.
7. If a Tech Word Clearer flubs or causes upsets on Word Clearing, the correct action is for the Supervisor to send the Word Clearer to Gramming. Qual exams all flubs in Word Clearing.
8. All metered Classroom Word Clearing takes each word to F/N.
9. A Supervisor can order any student who is not an F/Ning student to Word Clearing.
10. Methods 2,3,4,6,7,8 and 9 can be done in the Classroom.
