Integrity Processing Series 19

ORDERING PERSONNEL TO INTEGRITY PROCESSING

Integrity Processing may be required on any Academy Student, Org staff member, or HGC PC where lack of progress, effectiveness or case gain is evident due to overts or witholds from the Organization, or where there is a possibility of a threat to a Scientology (R) Organization.

HCO or Executives may request such processing of their staff members. Neither Tech or Qual are bound by such requests as an FES could reveal that the trouble stems from "out lists" or other matters needing correction. They should however take cognizance of such requests and do all possible to get the person handled and the Integrity Processing delivered with minimum delay when warranted.

Integrity Processing is not punishment in any way. It _is_ auditing, must be C/Sed, must be delivered in Tech or Qual (never by HCO) by a qualified Hubbard Integrity Processing Specialist and will help the person by giving fabulous case gains when done correctly.
