

Register anything, copyright anything, seize anything like this in the country of the HCO area, entirely independent of any other or the main HCO office.

Only when you have all these do you have an HCO.

Don't let one seal, one copyright, one design, one device, or even the names Dianetics and Scientology escape you on this. All the money you need to hire experts, lawyers, artists and pay fees is yours for the asking from the main office of HCO. Just ask.

What is the first duty of a new HCO Secretary? Seals, copyrights, marks, tapes, bulletins and books.

What is her chief continuing duty? Seals, copyrights, marks, tapes, bulletins and books, keeping them registered, registering any new ones, and using those we have.

What is her substance of office? Seals, copyrights, marks, tapes, bulletins and books.

What is her authority for being in office? My orders, the seals, copyrights, marks, tapes, bulletins and books.

She does not copy tapes from tapes or sell books or bulletins. She is the source of the copy people use to copy or print and use and sell. She is source in her area.

Given no part of this we have no HCO, no Dianetics, no Scientology, no clear Earth. All is confusion everywhere. Given it we have indeed brought order.

Concentrate on doing this. All else that we do then falls into line. Bring order first to our substance - seals, ethics, technology and awards. If we don't own it we can't tell anyone anything. And we do own it. Only we have to collect it.

Our possessions must not be permitted to lie in the rain.

OUTSTANDING COPYRIGHTS AND MARKS

No book issued on Dianetics and Scientology by any other author than myself has received my permission to copyright in any name but L. Ron Hubbard. If any book or pamphlet has been so copyrighted or any design trademarked it is illegal. The holder must be persuaded to assign or made to assign or sued until assignment is made. We never close such a case and never falter in expending money to accomplish this.

A simple request is ordinarily enough.

To leave one copyright outstanding anywhere is unthinkable.

All copyrights are made to L. Ron Hubbard, then after "my demise" it says in the franchise, to L. Ron Hubbard, Founder. But all copyrights, marks and rights, by blanket assignment are the property of and will remain the property of HCO Ltd., the main office. Although the copyright is to L. Ron Hubbard it becomes by that the property of HCO with no further administrative action by reason of existing contracts and franchises.
